#### From the Editors:

Well it has been a bit of a wet time here in Boorowa, Young, Cowra, Harden, Wombat and the surrounds...! Although rain is a good thing, I think we could do with a bit of a break for a few weeks to let the water on the ground sink in...no doubt in a few months we will be crying out for rain as the prediction is to be a drier than usual summer.

I've driving all over the place a bit lately and I am starting to get a bit peeved with some of our fellow motorists..why is it when you are sitting behind a driver doing 80 in a 100 zone and as soon as you hit a straight bit or a double lane for overtaking they speed up to over a hundred...which means I then have to do more than 110 to get past them. I am sure I am not alone in this regard but it seems to be happening more often than not.

#### Joke of the month:

**This guy brings his best golf mate home, unannounced, for dinner at 6:30, after golf. His wife screams her head off while his friend sits open mouthed and listens to the tirade.**

**"My bloody hair & makeup are not done, the house is a mess, and the dishes aren't done. Can't you see I'm still in my pajamas and I can't be bothered with cooking tonight!**

**Why the hell did you bring him home unannounced you stupid idiot?**

**"Because he's thinking of getting married."**

## AS I GET OLDER I REALIZE:

1. I talk to myself, because sometimes I need expert advice.
2. Sometimes I roll my eyes out loud.
3. I don't need anger management. I need people to stop pissing me off.
4. My people skills are just fine. It's my tolerance of idiots that needs work.
5. The biggest lie I tell myself is "I don't need to write that down, I'll remember it."
6. When I was a child I thought nap time was punishment. Now it's like a mini-vacation.
7. The day the world runs out of wine is just too terrible to think about.
8. Even duct tape can't fix stupid, but it can muffle the sound.
9. Wouldn't it be great if we could put ourselves in the dryer for ten minutes; come out wrinkle-free and three sizes smaller?
10. "Getting Lucky" means walking into a room and remembering why I'm there.
