The person to contact should you wish to purchase or enquire about the parts via email: [bec12bruce@gmail.com](mailto:bec12bruce@gmail.com) ...Thanks Angus.

**From the Editors:**

Well it's an early edition this month due to my quick visit to Tassie. I was able to get to Office Works and purchased the new printer, so I hoping that it turns a bit clearer. Once arriving at the store I ended up being more confused with the range of printers available...saying that I did not need to spend as much as thought. A cheaper printer was available that serves the purpose and with a box of paper, a usb cable, extra warranty and an extra toner the cost came to around \$395.00...much better than anticipated \$800.00. Installing the printer is another story. I basically had to agree to comply to the rules of printing whatever they are, register with Brother Printers, agree to abide by the licence laws, shut down the computer twice, pray to the printer gods whilst facing north east whilst standing on one leg with one eye shut....what a load of nonsense to load a cd disc...anyway it works!

Angus and Karen.

**Joke:**

**Paddy phones an ambulance because his mate's been hit by a car.**  
**Paddy: 'Get an ambulance here quick, he's bleeding from his nose and Ears and I tink both his legs are broken.'**

**Operator: 'What is your location sir?'**

**Paddy: 'Outside number 28 Eucalyptus Street .' Operator: 'How do you spell that sir?'**

**Silence.... (heavy breathing) and after a minute.**

**Operator: 'Are you there sir?'**

**More heavy breathing and another minute later.**

**Operator: 'Sir, can you hear me?'**

**This goes on for another few minutes until....**

**Operator: 'Sir, please answer me. Can you still hear me?'**

**Paddy: 'Yes, sorry bout dat... I couldn't spell Eucalyptus, so I just Dragged him round to number 3 Oak Street .'**

Some Interesting links and a short movie:
