Morris Oxford with an unusual roadster body outside H. I. Clements Garage at 79 McLachlan Ave, Rushcutters Bay. The front pillar of the premises lists the enduring classic makes that Clements was representing back then. These days we can only dream. The large British car behind appears to be from the late 1940's.

**Joke:**

A drunk staggers into a Catholic Church and enters a confessional booth, sits down, but says nothing. The Priest coughs a few times to get his attention but the drunk continues to sit there. Finally, the Priest pounds three times on the wall.

The drunk mumbles, "Ain't no use knockin, there ain't no paper on this side either!"
