#### **From the Editors:**

Well it has been a quick month with only 4 actual weeks between meetings. You are getting this edition a little bit earlier than usual as Karen and I are heading off for a few days next week, to celebrate our anniversary. We had planned to go to Tasmania but then changed our plans to do a quick driving trip around Victoria but as always the best laid plans tend to get changed. So we are now heading to Wangaratta, then up to Bowral. Short overnight stays but it should be enjoyable. I am sure sitting in the car with Karen for a few days will provide me with the opportunity to be reminded of all of the road rules, why I should not speed and commentary concerning that I only need one lane to drive in when I wander slightly onto the cats eyes :o)

A reminder also that this coming meeting is the AGM and most of the committee membership is up for renewal. If anyone is interested in nominating for one of the positions, then please turn up on the night (**8<sup>th</sup> March**) and fill out a nomination form. The position of secretary is up for grabs as Peter Kinsela has resigned from the position and does not wish to renominate. I am sure everyone agrees that Peter did an outstanding job and he will be difficult to replace. I suspect Peter will have more time to spend on his Choo Choo's and sending Bev off the rails!

Angus and Karen

**Joke of the month:**

A man calls home to his wife on a Thursday and says, "Honey, I have been asked to fly to Canada with my boss and several of his friends for fishing...

We'll be gone for a long weekend, and we'll be staying at a lodge near a river. This is a good opportunity for me to get that promotion I've been wanting, so could you please pack enough clothes for a 3 day weekend. And also would you get out my rod and tackle box from the attic? We're leaving at 4:30 pm from the office, and I'll swing by the house to pick up my things. Oh, and please pack my new blue silk pyjamas and robe?

The wife thinks this sounds a bit odd, but, being the good wife, she does exactly what her husband asked.

Following the long weekend he came home a little tired, but, otherwise, looking good. The wife welcomes him home and asks if he caught many fish?

He says, "Yes! Lots of Walleyes, some Bass, and a few Pike; but why didn't you pack my silk pyjamas and robe like I asked you to do??"

You'll love the answer below:

The wife replied, "I did, they're in your tackle box!"

MORAL:

Never, Never, Never, try to outsmart a woman!!!
