### **EDITOR'S NOTES**

Welcome to our new member Darryl Thorpe from Wondalga, with his military motor bike and side car a really good looking machine. Hope you enjoy our meetings and runs as much as we do.

Thanks to everyone for their phone calls, cards and messages to Neville. He is recovering well and got the all clear from the Specialist ten days after his operation. Trying to stop him doing things is the hardest part for six weeks. The grandsons have been helpful with the mowing and doing odd jobs that need taking care of when prompted.

I would like to wish each and everyone a wonderful Christmas and here's hoping 2018 is going to be good for us all. (We all need it). A big thank you to the members that help me with the distribution of the magazine, I really do appreciate your willingness and kindness, have a great Christmas.

41 Members and visitors travelled to Tumbarumba to the Botanical Gardens for morning tea and then a scenic tour out to the Berry Farm at Laurel Hill. 2 Motor bikes, 2 Army Land Rovers, 16 vintage/ classic cars, 4 modern cars, a great turn out. Thanks to Trevor and Heather. Ear Bashers' Cup was handed to Jim Morton from Albert. Ladies spoon was handed to Lesley from Heather. We have a missing Male spoon, please bring it out of hiding!!? A write up on the run and photos provided by our President Steven, Heather and Pam.

The Australian Road Transport Heritage Centre – Gundagai (which most of us are members). Held the three street stalls from Thursday 16<sup>th</sup>, Friday 17<sup>th</sup> and Saturday 18<sup>th</sup> November 2017 –

outside the Gundagai Newsagency and Woolworths Grocery Store – the Gundagai Cup was on so the amount of cakes, slices and other goodies didn't last long, on the Saturday it was raining heavy and the races were called off at 11am but, all the stalls in the main street continued to trade as well as ourselves, the 100 club was a great success. Thanks to all the workers as a profit of \$2698 was made.

**Please note the different dates for the Mountain Mens Run is Sunday 21<sup>st</sup> January 2018**

**also Date for first 2018 meeting is Sunday 18<sup>th</sup> February 2018.**

### **RUNS/MEETINGS:**

The police always ask for the information of your run, which must be produced, when pulled over.

*Happy & Safe Motoring, Gail (Ed).*

## Presidential notes.

It has been a busy time since our last meeting, a late club invitation to the Apple Blossom festival saw 9 old vehicles at the show on a nice fine day. Was good to see Kevin Keenan .

Above - Vehicles & Peter , Fay ,Trevor , Heather , John & Lesley enjoying a chat.

6 members attended the Bush council meeting in Mudgee which was informative & I highly commend Bill whom represents our club at all of these.

Cooma Motorfest on the 4<sup>th</sup> was a well organised event with over 300 cars many trucks & thousands of motorbikes both at the show and passing along the trip up & back. We also caught up with other club members there, then home & rego day on the Sunday, which seemed to run smoothly as usual. Thanking all those who do the checking) .

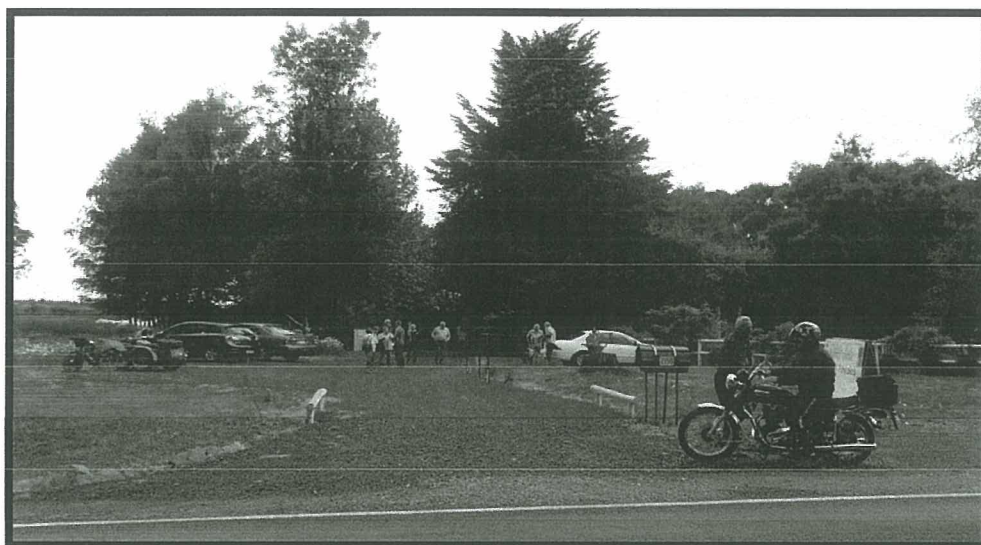

A couple of interesting exhibits with Tailspin A 1961 FB Holden by A & K Perry . Old sewing machines made into various tractor styles. Below – HR Holden X2 station sedan & The International truck that was gifted to Sir Reg Ansett in 1973.

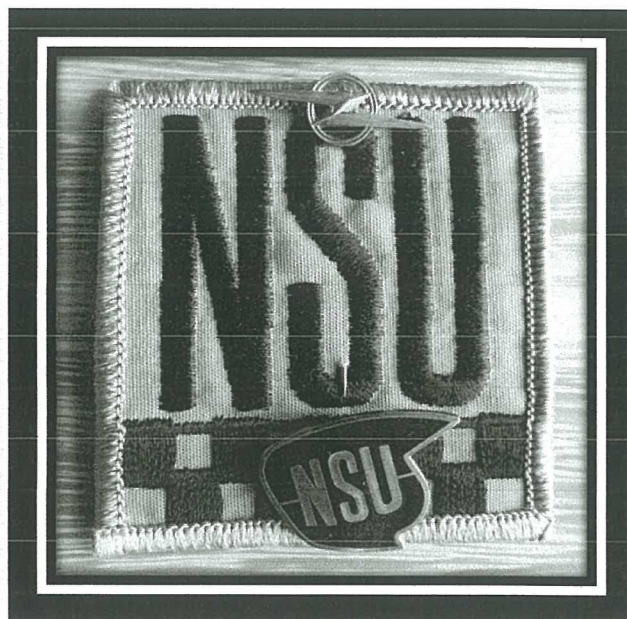

I also popped down to Culcairn to the swap meet / shown n shine in the dodge for a drive.

Members  
leaving Blueberry farm & our newest member Darryl Thorpe talking to John on his bike.

The November meeting was well attended with almost 40 people at the Laurel Hill BlueBerry farm ( YUM ). The day was a little overcast but with good conversation always enjoyable. Thanks to Rod Bawden for his books & Pam gave me some exceptional badges on behalf of Ursula Peters a foundation member with the earnings to be donated to the club

Hoping all a happy & safe festive season with the hope to see some members out and about in the old cars, enjoying. And a big thanks to Gail our editor who normally corrects my writing errors. Cheers Steven
