## **CLUB NEWS**

- New members Ray and Lyn Tickle were introduced to the meeting this month. Welcome to the club.
- Matt Lack still needs people with historically registered vehicles (H plates) to contact him to provide the MAKE, MODEL, YEAR, REGO NUMBER & EXPIRY, VIN/CHASSIS NUMBER of their club registered car/cars BEFORE REGO DAY. If you turn up on rego day your vehicles can be inspected even if the registration is due later in the year. This will save registration officers having to come to you.  
Matt can be contacted on 0428827287 or email him at [mattlack@hotmail.com](mailto:mattlack@hotmail.com)
- Every meeting we run a raffle which is drawn on the night. We seem to be getting the same people donating the raffle prize. To encourage others to donate something (between \$10 and \$20 value) we have decided to add 1 point to your club pointscore each time a prize is donated by you.
- This year's Christmas Party will now be held at CLUB DUBBO on Saturday 16<sup>th</sup> December, as the Western Star has changed hands since our booking was made earlier in the year and they have no record of it. Details and menu choice will be available later. Cost will probably be similar to last year at around \$40 per person. **If you won a trophy last year could you please remember to bring it along to the Christmas party so it can be passed on to the next recipient.** Also bring a gift to exchange for each person roughly between \$5 and \$10 value.

*Join us in Orange 24 to 26 November 2017 for A Weekend of Classic Car events*

# GYMKHANA DAY

Despite the exceedingly wet weather, it was decided to continue with some of the gymkhana events and retreat to Tom's shed during downpours. Around about 30 people turned up despite the weather.

There was a contingent of 5 cars and 9 people from the Australian Sporting Car Club, Orange, who made a weekend of it. Sadly, Stuart and Mick's well laid plans to foil the judges failed as these events were cancelled due to the boggy ground. Three events were run on the gravel driveway – Water Bottle Circuit, Spear the Spud and Stop Sign Parking.

There was a BBQ lunch of sausages and bread rolls part way through the events.

The final results were:

**Spear the spud: 1 David and Tom 2 Darryl and Dave 3 Darryl and Col 4 Mick and Roy**

**Parking: 1 Bono 2 Tom 3 Col 4 Dave**

**Water bottle circuit: 1 Darryl & Gloria 2 David and Barry 3 Barry & Gloria 4 Jim & Paul**

**Prizes were awarded to winners.**

It turned out to be a really fun day for everyone.

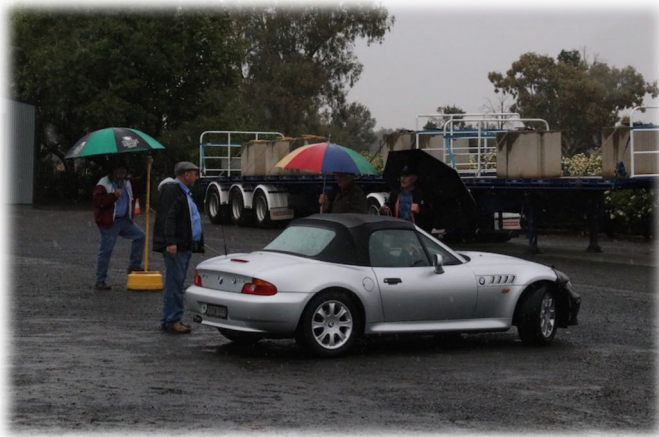

Thank you to Tom & Maureen for allowing us to use your place. Thanks to Tony for helping with the set up and for the judges and pointscorers on the day.

# Oktoberfest

This had to be the best day out for 2017. Perfect weather, a pleasant morning tea at the zoo, great company and wonderful food, not to mention the brilliant cars and fun dress-ups. Geoff and Susan Ballard and daughter Zara put on a wonderful day for over 30 club members. Most people took the opportunity to dust off their vintage or classic cars for the run just out of town. In fact I think the Ballard's drive in to their wonderful old house was longer than the trip from town to their gate.

Geoff's "Shed" was spectacular and the envy of everyone that walked in. Not only were there some exquisite cars but a lounge area complete with leather lounges and a selection of beverages. Geoff's cars included an X-19 Fiat, several Mercedes - coupes, convertibles, and luxury sedans- a BMW, a Bentley and two Rollers, all sitting on top quality axminster.

The original house was built in 1865 and a wing added later in the same style as the original. Susan's parterre rose garden was in full bloom as were the white standards that surrounded the verandahs of the house.

The lunch setting was like something out of a royal garden party with white tablecloths and chairs set up under the trees. The food was excellent consisting of roast pork with the best crackling I've ever tasted, a selection of German sausages, huge pretzels, roast potatoes, salads and much more. We certainly needed to leave some room for the apple strudel and Black Forest cake that followed.

A few people who could still move after lunch eventually helped Susan to clear away while the rest of us watched on or dozed in the sunshine.

Finally it was time to head back home to our humble abodes, but so good to have had a small taste of Germany.

To Geoff and Susan we say "Danke Schön" for a day that was "Wunderbar."

# CARS & COFFEE

**Thank you Tanya  
Moore for these

# Parkes Swap Meet

We took the panel van for a run and had a most enjoyable day, with tractors, utes, motorbikes, and lots of lovely cars to admire. My favorites were a beautifully restored EH panel van with stunning graphics featuring Ned Kelly, closely followed by a Kombi in original condition. Ran into Richard Whale enjoying the display and also Darryl & Tony who gave the swap meet goods some serious attention.

One of the committee members told me they usually make around \$10,000 on the day, with all money raised going to Can Assist, so good on them for organising such a great day out.

# CHROME FEST

## Chromefest 2017 at the Entrance NSW

This was an awesome event which was attended by three club members, one word describes it WOW, never seen so much chrome and fantastic vehicles. The Chromefest car event at the Entrance ran for three days from the 27th to the 29th of October. The display and festivities are run on the 4th weekend of October each year and it is a free attendance event. There were more than 700 cars entered in the show which is billed as a tribute to classic American Autos, Hot rods and Rock and Roll .

Vehicles included a wide range of hot rods, American classics (General Motors and Fords of all models) rat rods, barn finds and a wide range of Unique Aussie made and American vehicles. The event included live band music, retro stalls, a dance off competition, food, show and shine, 1950's Pin Up Doll Australia competition, "cruises" to local venues as well as much more.

I would recommend attending this event to anyone who wanted to see an amazing array of vehicles from the 50's onwards.

**Warning** if you attend next year do not forget your sunnies as the shine of the chrome is blinding!!!!!!!!!!!!!!!!!!!!!! Cheers Tom Warren

## PRESIDENT'S REPORT – 2017

Another year is nearly over, and our club has enjoyed a great range of events and participated in some very well organised outings!

Firstly, I would like to thank all club members for their continued involvement and support within the club. We recently moved back to our main meeting rooms in Sterling Street, after a long wait for renovations to be completed, and it's been great to see a strong turnout to our monthly meetings. Special thanks to Col Bennet who spent most evenings attending to car park security while we were using the temporary meeting rooms!

Another contributing factor to our meetings, is the supper we enjoy (and extended chat) after our meetings. Thanks to Carole and Ian Henderson for their continued efforts, not only with the supper, but also running the evening raffle.

Our events committee have provided us with a wide range of events, which have been well attended. In addition, several club members have hosted our club for shed visits, and other activities, whilst also going to a lot of trouble with catering and displaying their collectables! There have been some particular standouts for me, such as Frost's, Allan's, McKeown's, Reichart's, and Ballard's. Unfortunately, work and family commitments have not allowed Jaci and I time to attend all of the outings.

While I would like to thank all committee members for their efforts this year, special thanks must go to Ginny Mather, who continually puts together a very professional club magazine, and does a wonderful job keeping us all informed via print, email, and facebook. Without Ginny, the club would not function as well as it does. Any members that feel they could assist Ginny in the future would be greatly appreciated.

Looking ahead to next year, there are several events to put in the diary, including the CHMC Rally in Narrabri, and the Autumn Tour hosted by Parkes. Hopefully we will see the Dubbo Swap Meet return again next year!

All the best for 2018,

Matt Lack
