### AT REST

*Bernie Crowley, Patron of Parkes Antique Motor Club until 3 years ago, passed away on 7<sup>th</sup> September, aged 89 years.*

*Until a few years ago, Bernie was an active participant in Club activities, driving his MG Magnette and later a Mercedes.*

*Bernie was skilled at any venture he undertook, and timber model examples of his craftsmanship are prized exhibits on display in the Parkes Motor Museum.*

*The Club's condolences have been expressed to his widow Delia, and the family.*

***Club Events Past***

Aug 18-20	Illabo Speedway Weekend run to Junee. Hedley reported that although it was cold and sometimes damp, it was a good drive to some interesting attractions.
Aug 29-30	Parkes Show. The Holden display to commemorate 100 years and closure comprised a representative of almost all models of large Holdens from 48/215 to WB. It attracted favourable attention and the two car Clubs carried off the award for the most attractive Commercial Exhibit.
Sept 9	Supercheap opening PARKES. 7 vehicles fitted into a space allocated for 6 and drew positive comments from patrons to the opening.
Sept 11	ELVIS 2018 Launch. Alan Payne's Galaxie was used for a coming feature on Channel 7's <i>Sydney Weekender</i> .

***Club Events Proposed***

**PAST EVENTS**  
**SUPERCHEAP DISPLAY**

We only had space for 6, but we managed to squeeze 7 in!

As it happened we had five Fords and only two examples of fine British technology. I suppose it goes to show that some makes of vehicle are more in need of Supercheap parts than others!

The shoppers at Supercheap showed a lot of interest in the vehicles so this can be regarded as a very worthwhile exercise and Supercheap has given the Club a Trade Discount membership! See Bruce Danson for details of when and how this concession can be accessed.

**SUNDAY 17<sup>th</sup> SEPTEMBER NARROMINE**

The Iris Farm wasn't going to be ready until at least the October Long Weekend so we decided to give it a miss and go straight to Narromine Air Museum with a *short* stop at the Peak Hill Lolly Shop.

8 cars left Parkes at 9.30am, and because of the “*short*” stop in Peak Hill, arrived at Narromine Aero Club at 12 noon for lunch.

After lunch we discovered the significant heritage impact that Narromine has in Australian Aviation, and it is being well cared for and promoted within the Air Museum, which had a major and impressive upgrade in 2016.

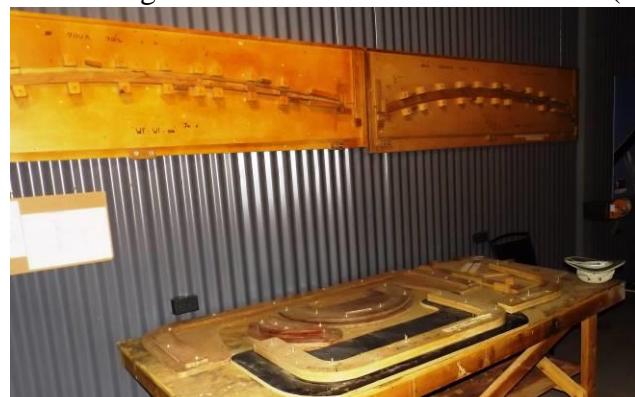

Narromine is now Australia's oldest regional Aero Club.

In 1920, locals gathered in thousands to see the Vickers Vimy bomber, winner of the England – Australia air race, touch down. In the barnstorming 20's and 30's, Narromine hosted famous visitors such as Kingsford Smith, Charles Ulm, Sir Alan Cobham, Arthur Butler, Jean Batten, and Sir Francis Chichester. It hosted the Mosquito bomber men of the RAF top secret 618 Squadron, and the RAAF 93 Squadron of Beaufighters.

Pride of place is the replica Wright Flyer,

together with some of the forms made (from copies of the original plans) in reconstructing the craft.

Above is a restored Corben Super Ace, a homebuilt sports plane of 1938.

There's also an impressive display of photographs and history relating to aviation in Narromine.

Left is a commemoration of the Qantas Lounge. In the past, when airliners from overseas were delayed entry to Sydney, they landed at Narromine, rather than risk running out of fuel flying circuits waiting to get into Mascot. So Narromine had a Qantas Lounge!

Connie the Super Constellation frequently visits Narromine.

A worthwhile visit!

SATURDAY 23<sup>rd</sup> SEPTEMBER

REGIONAL BUSKING CHAMPIONSHIPS

PEAK HILL

Only 3 cars ventured into this event, probably because others were either: exhausted from recent outings, or: unsure of what may lie in store.

The area of the “region” was not obvious, but there were some buskers who were known as local to Parkes Shire, and others. A wide range of talent from those who may well have been entering their first competition to more seasoned performers. There were some very young talents (possibly still Primary School age) who bravely entered the public arena and gave it their best shot. All appeared to be encouraged by the presence of a (small) audience.

I reckon it turned out to be a relaxing and enjoyable day, and hopefully encouraging to the contestants.

SUNDAY 1<sup>st</sup> OCTOBER

FORBES MOTOR SHOW

A great recovery from last year, when floodwaters caused the show to be cancelled. An excellent range of vehicles ranging from 1902 to the present, and fresh from the shed to specialized high quality custom.

1914 Overland 30cwt truck

Count the plug leads on this Mini to see why the seat is set back!

The owner of this post vintage Chrysler Plymouth had been trying to find out why there was a push pull switch on the back.

*In NSW, until the early 1950's when rear reflectors became compulsory, tail lights had to be turned on when the vehicle was parked on the road at night. Because most vehicles had 6v systems and parking lights on the same circuit as the tail light, the latter was often independently switched with an aftermarket switch located on or near the tail light, primarily to conserve battery life.*

Vanguard Spacemaster with all the 1950's holiday gear. EH S4. Only 10 of the 120 built are known to survive.

But whichever way you looked at us, we looked pretty good!

**30<sup>th</sup> SEPT – 2<sup>nd</sup> OCT      PARKES BIKE RALLY**

It looked like every man and his dog was going to be there

And with no bonnets to lift, people did the next best thing

Attendance was up a bit on last year, with the usual variety of machines entered.

Feedback from entrants has been very positive, and congratulations must go to Bruce and his band of helpers for a job well done.

#### NEXT EVENTS

##### FRIDAY 6<sup>th</sup> OCTOBER

##### KIDS DAY OUT HPC

This is Parkes Visitor Centre's (now) regular open day for children to give them something a bit extra to do during the school holidays.

The "day out" starts at 11.00am and runs until 3.00pm. There'll be face painting, Jumping Castle, the Snake Man, and many other things, including **US!**

All we need to do is to have a few cars for them to look at, be on hand to talk about our cars, and if you don't have a car for them to talk about, tell them about some of the exhibits in the Museum.

Members will be able to take the children for a short ride in their car, should they so desire. Information Centre staff will be warning parents that most of our vehicles don't have seat belts (or child restraints for the littlies), and will be collecting a small donation (to defray out of pocket expenses) from those who wish to ride.

Best to assemble at HPC from 10.30am. Those who are happy to provide rides should park on the bitumen car park and those who prefer to just talk about their vehicles should park on the grass in an area to be defined.

The Club will provide a sausage sizzle lunch for members attending.

**For those who are concerned about where our future members may come from, this is a good starting point!**

**SATURDAY 14<sup>th</sup> OCTOBER**

**PARKES SWAP AND CENTRAL WEST SHOW 'N SHINE**

Phil, Bruce and Tony reckon they've just about locked everything in, and all looks set for a great day.

Final details and rosters will be sorted at the coming meeting, together with working bees to erect security fencing and other bits of infrastructure on Friday prior to the Swap, and take it down afterwards.

**Think carefully about when you may be able to help, and in what capacity.**

There will be only two gates this year, the main gate being that straight off the end of Victoria Street and adjacent to Spicer Oval. The other gate will be next to the amenities block on the eastern side of our site.

We'll **not** have an entry near the main driveway into Pioneer Oval

There will be a "Club Site" where members can place items for sale, with the price clearly marked. A roster of members willing to man this site will also be arranged.

**Be prepared when Phil asks for names at the coming meeting!**

Don't forget that the Central West Club will be conducting its Show and Shine on Pioneer Oval. Conducting these two activities together provides benefits to both Clubs, so it is important that we present as large a display of our vehicles as possible.

**\*Please note that all entrants must arrive at the show'n'shine ground between 7.30 am and 9.00 am and no vehicle is to leave before 2.30 pm**

**SATURDAY 28<sup>th</sup> OCTOBER**

**CHMC HALF YEARLY MEETING MUDGEES**

Although the Club will have only one voting Delegate, attendance by other interested members is encouraged.

There's not only the opportunity to hear CHMC in action, but also the chance to establish or renew acquaintances within the Heritage Vehicle movement.

The cost for Lunch will be \$15.00, and names must be in to Secretary me **before** Friday 13<sup>th</sup> October.

**SATURDAY 28<sup>th</sup> OCTOBER**

**CHMC REGISTRATION INFORMATION SESSION**

**MUDGEES**

And of equal significance, immediately following the CHMC Mid Term meeting will be an information session on Conditional Registration; both Historic (HVS) and Classic (CVS),

This session is very highly recommended for Club Registrars, Club Eligibility Committee members, and anybody who wants to catch up on the latest regarding Conditional Registration. **Why don't we front up with a carload?**

**END OF CURRENT CLUB YEAR**

As the 2017 Club year draws to a close (it finishes on 30<sup>th</sup> October!) there are a few things we need to think about:

**Financial accounting;**

Treasurer Phil tries his best to have the books audited before the Annual General Meeting. This gives just 8 days from the end of Club Financial Year. If any member is holding any invoice for club expenditure, please get it to Phil ASP to give him the best chance to ~~have~~ have the books ready for audit. Please try to not leave handing in any invoices until the death knock. Note that the Tax Invoice is the primary document used for audit. Should you obtain any goods or services on behalf of the Club, it is essential that the Tax Invoice be given to Treasurer Phil ASP.

**Medlyn Trophy:**

The Medlyn trophy is awarded each year for participation in club Activities. The principle measure is the attendance record kept by Club Attendance Registrar, Margie Gould. Not everybody can get to every Club activity (in fact I doubt that anybody has!), and Margie is no exception.

It is therefore incumbent on all members to ensure that Margie is aware of your contribution towards the Club.

If you suspect that your attendance at any activity may have been overlooked, please contact Margie and she will ensure that the attendances are recorded accurately.

**Annual General Meeting**

This follows immediately after the November Meeting. It is an opportunity for the Club to review where it has been, what has been good about that, what lessons can be gleaned from our past performance, and where the Club wants to head in the near and distant future.

I don't think that any of the Club's office bearers are so protective of their positions that they would slash their wrists if another member nominated against them in the coming elections. It would be great for a number of positions to be contested for a change. However, it is most important that members with good ideas or a desire to lead members in any activity put their names for consideration as one of the incoming Officers.

It is not essential that a member be super skilled or infallible to be an Office Bearer. Our present Officers are a good testament to that, and know full well that most of our members tolerate the odd error or omission without too much drama. We are all human beings after all.

Sitting alone wondering whether the Club would be better off if it did things differently won't achieve much.

Getting involved by helping to run the Club will!

**Restorations;**

Badges are presented to members who have completed a restoration (*as distinct from making a purchase and giving it a bit of a freshen up with Repo*) during the year.

The restoration may be of a car, truck, bike, tractor or small motor.

If you have completed such a project, please provide the details to the Secretary before the Annual General Meeting. The award is engraved with the members name and vehicle make, model and year, so it is important that the Secretary has these details accurately.

**Conditional Registration:**

Vehicles registered under the Conditional Historic Registration Scheme (club plates) must be inspected by Club Inspectors, even if inspected elsewhere, such as at an RMS Authorised Inspection Station.

Club Inspectors have an additional obligation to ensure that vehicles presented for Conditional Historic Registration are as original as possible, with period accessories (not period modifications).

RMS only permits modern finishes (such as acrylic paint), trafficators, safety belts and electrical upgrades.

Vehicle Inspection is a valuable service provided by our voluntary Inspectors, and the advice they give is intended to be in the best interests of both the vehicle owner and the Club as a whole. Please make their job easier by doing your bit to check your vehicle beforehand, particularly if your vehicle had an area of weakness pointed out last year. Don't put our voluntary inspectors in the embarrassing position of having to recommend that your vehicle be knocked back because you didn't fix up something obvious, or not attended to something they have previously drawn to your attention!

**MOTORING LIBRARY:**

The Club has acquired, through the generosity of Australian Motorlife Museum, library shelving and 21 cartons of valuable motoring books. There are many more cartons of books to follow over the next few months.

The space in the Club Meeting Room that we intended to utilise presents some issues related to its use as a library, as does how we could manage such a valuable motoring resource.

Expect some discussion on this at the next meeting.

**GOOD OLD FASHIONED FUN!**

**CLASSIC YASS**

SAVE THE DATE

**SATURDAY NOVEMBER 4<sup>th</sup>**

The year is flying by, and we are fast approaching November when 'Classic Yass' will once again showcase many beautiful and interesting vehicles from around the state *and beyond*. I would like to ask if you could mention 'Classic Yass' at your next meeting and possibly add it to your web-site, magazine and calendar if you've not already done so. This year, the event will be held on *Saturday November 4th*.

Again Classic Yass will be held in two parks, Banjo Paterson Park and River Bank Park where we will park cars in roughly chronological order - motor show style. 'The Hips' (with 'Rockpile' Jones and Paul McCann both of *Oil'55* fame) will once again entertain us through the day in the park and again in the evening, at the Saturday night dance. *Saturday morning will also feature the official start of the Alpine Rally, ensuring a memorable start to a fun weekend!*

We are in the process of making arrangements with other groups to provide further attractions on Sunday in the close vicinity of Yass, making it a great weekend in the Yass Valley. We will be keeping the web-site and Facebook page up to date as arrangements are confirmed. (web-site to be updated soon)

We look forward to seeing some of your members at this great event.

# TERribly BRITISH DAY

## Invitation to display

Dear Club President

Please accept this invitation for your club to attend and display members' vehicles at the 42nd "Terribly British Day in 2017" in Queanbeyan on 3rd December.

The display will be held on the Queanbeyan Park lawns (behind the Queanbeyan Police Station) and will be open to the public from 10.00am to 3.00pm.

As this is a new venue for the display it is imperative that clubs advise the approximate number of vehicles expected to join the fun of "Terribly British Day". Cars should arrive for display by 9am and should be road registered. Drip trays are required.

A representative of the Queanbeyan Palerang Regional Council, will be on hand to present the trophies for the best club display and the vehicle I would most like to take home.

"Terribly British Day" is organised and co-hosted by the Triumph Car club, the Southern Tablelands Heritage Automotive Restorers Club (STHARC), the Rolls Royce Owners Club and the British vehicle clubs in the ACT and is supported by Shannons Insurance and NRMA Veteran, Vintage and Classic Insurance.

A gold coin donation will be collected and given to a local charity.

For further information and to advise numbers of vehicles attending, please contact Horst Kirchner at: [horstkirchner@grapevine.com.au](mailto:horstkirchner@grapevine.com.au).

Yours sincerely

## PRELIMINARY NOTICE

You are invited

to enter the

### Council of Heritage Motor Clubs

#### Annual Rally

hosted by the

### Namoi Valley Antique Vehicle Club Inc

#### Easter 2018

Good Friday 30th March to

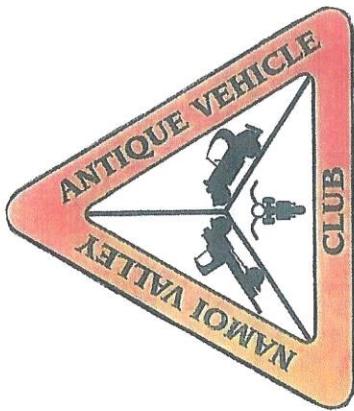

Easter Monday 2nd April

at NARRABRI

Open to

All pre 1988 vehicles

NB: Entries will close at 200 or on the 31st January 2018, whichever is reached first.

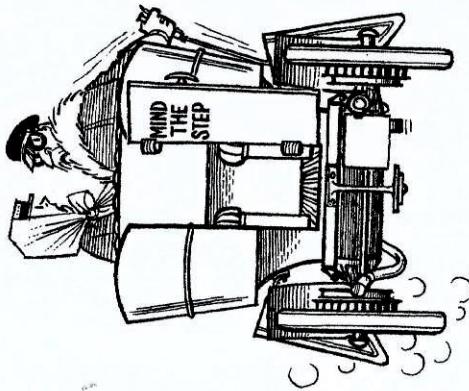

## OUTLINE PROGRAMME

RALLY HEADQUARTERS AT PARKES RACECOURSE  
Friday 4<sup>th</sup> 150km run commences 9.30am

or

50km run commences 12.30pm  
Saturday 5<sup>th</sup> 150km run commences 9.30am  
Sunday 6<sup>th</sup> Farewell breakfast from 8.00am

"Where's Granny gone?"

*NOTE: The Rally will run concurrently with the Annual ABBA Festival at Trundle. Although this is 70km from Parkes, the festival places a significant demand on accommodation in the surrounding area, including Parkes, Forbes and Peak Hill. Whilst there are many advance accommodation bookings for the ABBA Festival, there is ample accommodation available at present. Rally entrants are encouraged to make accommodation arrangements as soon as possible.*

*Should you wish to receive a detailed programme and entry form when it becomes available, please contact Parkes Antique Motor Club at:*  
PO Box 476 PARKES NSW 2870,  
or
