## DYKE AWARD

2017 Dyke  
Award being  
presented to  
Geoff Larkham  
by Bill Barber

Inscription on Dyke award reads:  
"Don't know why I didn't think of it before.  
I can get three hundred suspension  
bushes out of an 18 metre  
hose, and only  
8 dollars at Bunnings!"

### **VALE ROBYN SMITH – Aged 70** 22<sup>nd</sup> December 1946 – 21<sup>st</sup> September 2017

Dearly loved and treasured wife of David for 48 years.

Loving mother and mother-in-law of Jason & Emma, adored granny apple of Zahli and Arabella.

It was with great sadness when many of our club members said our farewells to Robyn at her funeral held on 27<sup>th</sup> September at Lincoln Grove Memorial Gardens.

David & Robyn joined our club when it formed in 1972 and attended the majority of our club's events as well as organising them. Robyn did a lot of work for rallies especially in the early days of the club.

She had a wonderful eye for detail and decorated the stage area, with David's assistance, for Easter Rallies held in Tamworth. She decorated meal tables beautifully for the Great Eastland and Half Way Rallies with a special theme for the rally. She often donated prizes for rallies especially the club's annual bike rallies and they were wrapped beautifully with ribbons and bows.

Robyn especially loved going to the Hat Head Rally and last year enjoyed the Lismore Rally. She and David attended many Half Way and Great Eastland rallies as well as some Easter Rallies away from home.

In the early days she travelled in a 1919 T-Model Ford when Jason was a child, later a 1927 Dodge tourer but these were a bit too cool to travel in during winter so David bought a 1950 Riley sedan with wind up windows.

She had a great sense of humour especially when organising birthday parties and wedding anniversaries for club members with unusual novelty gifts and amusing stories. She cared about others and would often give gifts to anyone who did something for her as a token of appreciation.

Robyn was a well-loved member of our club, a very special friend, truly a lovely lady and will be greatly missed. Our condolences go to David, Jason & Emma and family.

### **MID WEEK EVENING MEAL – 21 September 2017**

Attendees were: Jim Kline & Auriel Smart; Geoff & Beth Larkham; Dave & Wendy Smith; Gary & Val Grout; Jahn & Barrie Manton; Warwick & Allison Hord; Reg & Heather Roberts; Peter Walton & Bev Barnsley.

Sixteen of us dined out at the North Tamworth Bowling Club. The meals were good and they were quite large. The meatballs were huge so Wendy took one home for her dog. - Val Grout

## BIKE NEWS – by Mike Pett

With Barry Thomas on tour and yours truly working I've not got too much news. However I do know there were enjoyable Thursday mornings with about a dozen for coffee and rides enjoyed by several members and friends.

The ride on the 28<sup>th</sup> saw us head through Taminda, Daruka, Moore Creek, Davidson Lane to Attunga for a beer at the Round House and an excellent lunch at the Attunga Store. Lovely ride and we are looking towards Gundy for our first ride of October to meet the Hunter car club.

## GOSFORD MOTOR MUSEUM – by Mike Pett

A few of us joined the Tamworth Ford Enthusiasts Club and met at the Museum a couple of weekends ago. We had an excellent time, great venue and collection of mechanical dream cars and bikes, old and contemporary. The presentation with appropriate information is very well organised and many vehicles are for sale. We saw Barry Smith's Packards and David Smith's<sup>2</sup> BMW motorbike.

Sunday Les Maggs and I were to come home via Broke Village Fair and car display, but Allen Carlson's mate Charlie from Empire Bay changed that. He arrived in his 1925 alloy bodied Vauxhall tourer, magnificent machine in totally original order which was unable to drive below any urban speed limit!! Then we saw his TC MG and two early Nortons, one with a chair.

Sunday we were on his barge checking his oyster leases on the Brisbane Waterways around Gosford, Woy Woy. Lovely day on the water with Allen and Les eating enough oysters to not need Viagra for ages!! Evidently Charlie was one player in an industry with over 60 participants, now only four left in business. Charlie has his for sale also.

All in all a great trip, thoroughly recommend the museum, evidently Broke show was huge 150 plus cars, bikes and such. Another event for next year!!

## JAMIESON'S CAMP OVEN & CLUB RUN - 17 September 2017

Attendees were: Steve Grierson - 1937 Buick; Roger & Jenny Garment - 1939 Prefect; Gregg McLean - 1952 MG TD; Reg & Heather Roberts - 1953 Austin A40; Jim Kline & Auriel Smart - 1958 Morris Minor; Geoff & Beth Larkham - 1960 Nash Metropolitan; Gary & Val Grout - 1964 EH Holden; Bill & Christine Barber - 1967 HR Holden; Brian & Pat Jamieson - 1973 Subaru Sherpa; Mike Pett - 1974 Jeep; Allen & Debbie Carlson - 1978 HZ Holden ute; Dave & Wendy Smith - 1980 Celica. In modern were: Bev Smith; Warwick & Allison Hord; Barrie & Jahn Manton; Les & Penny Maggs; Peter Walton & Bev Barnsley.

Met for morning tea at Truckies Memorial Park then took a drive along Calala Lane, Loomberah Rd, Duri Dungowan Road, through Piallamore to North Tamworth. Even though we have had a dry spell some of the countryside was quite pretty with yellow canola, green wheat & lucerne fields as well as pink and white blossom trees.

Brian & Pat baked a delicious camp oven lunch with some assistance in setting up from Penny & Les, Mike, Roger & Jenny. Entree was homemade flatbread followed by roasted vegetables and meat and finished off with desserts of bread & butter pudding with custard or cream, cake, watermelon, blue berries & strawberries.

Brian had a bit of a mishap when the BBQ caught on fire earlier but luckily was put out quickly, so he was presented with not one but three fire extinguishers.

Penny and Geoff passed around some interesting photos of early club rallies.

Bill Barber presented the Dyke award to Geoff Larkham for improvising using garden hose to repair a bush on his Morris Minor Traveller at Coonabarabran after going on corrugated road to Pilliga Pottery.

Christine Barber is the winner of the Navigation Trophy after her guess of 53k for the distance travelled on the run from Truckies Memorial Park to Jamieson's place - actual distance was 54.7k.

We had a wonderful day - good weather, good people and great food. A BIG thank you to Brian and Pat for hosting us for a beaut lunch and thank you to their helpers.

## JUST FOR FUN

### CROWS..... THE CLEANERS OF THE HIGHWAYS

Researchers for the Massachusetts Turnpike Authority found over 200 dead crows near greater Boston recently, and there was concern that they might have died from the Avian Flu.

A Bird Pathologist examined the remains of all the crows, and, to everyone's relief, confirmed the problem was definitely not Avian Flu.

The cause of death appeared to be vehicular impacts. However, during the detailed analysis it was noted that varying colours of paints appeared on the birds' beaks and claws.

By analysing these paint residues it was determined that 98% of the crows had been killed by impact with trucks, while only 2% were killed by an impact with a car.

MTS then hired an Ornithological Behaviorist to determine if there was a cause for the disproportionate percentages of truck kills versus car kills.

He very quickly concluded the cause: when crows eat road kill, they always have a lookout crow in a nearby tree to warn of impending danger.

They discovered that while all the lookout crows could shout "Cah", not a single one could shout "Truck".

#### 10 THINGS TO PONDER

1. If a pig lost its voice would it be disgruntled?
2. Would a cardboard belt be a waist of paper?
3. Would writing with a broken pencil be pointless?
4. If you don't pay your exorcist would you get repossessed?
5. What's the definition of a will? (is it a dead give-away?)
6. Are every calendar's days numbered?
7. Does a backward poet write inverse?
8. Is the man who fell into an upholstery machine fully recovered?
9. Are tennis players cold hearted because love means nothing to them?
10. Is Atheism a non-prophet organisation?

### CAN COLD WATER CLEAN DISHES?

This is for all the germ conscious folks that worry about using cold water to clean.

John went to visit his 90-year-old grandfather in a very secluded, rural area of Georgia.

After spending a great evening chatting the night away, John's grandfather prepared breakfast of bacon, eggs and toast. However, John noticed a film-like substance on his plate, and questioned his grandfather asking, "Are these plates clean?"

His grandfather replied, "They're as clean as cold water can get them. Just you go ahead and finish your meal, Sonny!"

For lunch the old man made hamburgers. Again, John was concerned about the plates as his appeared to have tiny specks around the edge that looked like dried egg and asked, "Are you sure these plates are clean?"

Without looking up the old man said, "I told you before, Sonny, those dishes are as clean as cold water can get them. Now don't you fret, I don't want to hear another word about it!"

Later that afternoon, John was on his way to a nearby town and, as he was leaving, his grandfather's dog started to growl, and wouldn't let him pass.

John yelled and said, "Grandfather, your dog won't let me get to my car.

Without diverting his attention from the football game he was watching on TV, the old man shouted "COLDWATER, GO LAY DOWN!!!!" Meet Coldwater...

### THE MEXICAN MAID

The Mexican maid asks for a raise.

The wife was very upset about this, and decided to talk to her about the raise.

She asked: "Now Maria, why do you want a pay increase?"

Maria: "Well, Señora, there are tree reasons why I wanna increaze."

"The first is that I iron better than you."

Wife: "Who said you iron better than me?"

Maria: "Jor huzban he say so."

Wife: "Oh yeah?"

Maria: "The second reason eez that I am a better cook than you."

Wife: "Nonsense, who said you were a better cook than me?"

Maria: "Jor huzban did."

Wife, increasingly agitated: "Oh he did, did he?"

Maria: "The third reason is that I am better than you in the bed."

Wife: Really boiling now and through gritted teeth "And did my husband say that as well?"

Maria: "No Señora ..."The gardener did."

Wife: "So then, how much did you have in mind?"

#### **Requirements for vehicles/motorcycles on Historic Conditional Registration Scheme:**

- They **MUST** be as CLOSE TO ORIGINAL CONDITION as possible, with NO ALTERATIONS except for safety features and must be over 30 years old.
- **Warning (if not on Logbook trial)** - make sure a Permit to Move Form is filled out when using vehicle/motorcycle on an event that is not listed in the TDAMC Events even if on an event with a secondary club. If an accident occurs documentation is required for an Insurance claim. If on a non-designated event without a Permit to Move Form the vehicle is deemed to be unregistered – therefore no Greenslip and also can be fined by the police for being unregistered.

#### **Logbook Trial:**

- Members on 60-day Logbook trial **must fill out the sheet** for each day's use if not on a Club Event (i.e. for maintenance and personal use) – the sheet must be carried in the car or with you on a bike.
- If on logbook trial **check your insurance policy** to see if you are covered for personal use.
- To go on the logbook trial members need to fill out a "Change of Records" form at RMS; show proof of identity such as drivers licence; current certificate of conditional registration (if available).
- Members are not compelled to go on the logbook trial - if you don't see a need to use the vehicle/bike for personal use it is not necessary to have a logbook.
- For Club events it remains the same – just need to carry a copy of the club's magazine
- If NOT on the logbook trial – maintenance runs just need to go in the Day Book held by the secretary. A Permit to Move Form is to be filled out if attending rallies that are not listed in the magazine.
- **NOTE:** TDAMC members with HCRS vehicles/bikes **must attend at least 3 events per year.**
