President's Report: Not much to report as I have been away for 4 weeks from the end of May to 25th June. I therefore missed the June monthly meeting and the June Committee meeting. I would like to thank Brian Thomas for filling in for me at the monthly meeting and Joe Vavra at the June Committee meeting. The only event I attended was the June men's morning tea. There was a good turn up of 10 members. Thank you.

Vice President's Report: Guest speaker arranged for later in the year will speak to us about vehicle accident recovery and the differences between old and newer cars in getting victims out.

Treasurer's Report: Membership renewals currently total about 80 which is a much better position that existed in previous years. Club currently has funds totalling \$14,253 of which \$8040 is held in a term deposit.

Reimbursements and payments submitted for approval are the affiliation fee for Council of ACT Motor Clubs \$75, Publications Committee for stamps etc for mail out of newsletter \$253 and Property Officer for raffle prizes \$60.

Moved acceptance of reimbursements Brian Thomas Seconded Malcolm Roxburgh carried

Moved acceptance of Treasurers Report Brian Thomas seconded Malcolm Roxburgh carried

Council Reports:

Half yearly meeting of Council of Heritage Motor Clubs is to be hosted by STHARC in October. Necessary planning is in hand but there is a need for club members to volunteer assistance at the various activities to take place. A list was produced for consideration by members of where they may be able to help.

Council of ACT Motor Clubs: Some issues for ACT incorporated clubs with NSW registrations but not applicable to STHARC members. Discussions continuing with ACT RTA about introduction of 60 day log book scheme for ACT Heritage vehicles and possible modified vehicle scheme.

Events: Events Director advised that due to unforeseen circumstances he will not be able to take on the role for the next club year as he had planned. He has planned a number of events into October but the new events team will need to be formed and take over future events.

Battle of Waterloo was conducted in Queanbeyan Park on a dismal day. The British forces outnumbered the French on the day. End of month morning teas were again enjoyed by those who were able to attend.

their present positions for several years. It would be nice to get some fresh ideas from members who have not previously been involved on the Committee. .

It is important that there be some turnover of Committee members. If anyone is willing to come forward, existing members are happy to provide details of what is involved.

Joe Vavra has agreed to stand for election as President and Terry Davies has agreed to stand for election as Vice President. David Buckley has nominated for election to Editor. Events Director Max de Oliver has advised that he is unable to take on this role for the 2018/2019 club year. At this stage there is no Events Committee or potential Events Director available for election to the position at the AGM. All other current Committee members have agreed to continue in their roles. If there are club members interested in taking on any role in the running of the club please come forward.

The Secretary has received several nominations for Club Person of the year. The Club's Choice will be announced at the awards presentation dinner on 21 July.

Allan Boyd advised that he has a number of copper wall plaques featuring motor vehicles and has offered them to any members who may be interested.

Lost in the fifties museum at Newcastle is closing but is holding several open days over the next couple of months. Events Director is willing to try to organize a club run to visit the museum over a weekend between now and the date of the auction on 18 October.

Birthdays and anniversaries: Ray 22 June and Mike 27 June

STHARC ANNUAL GENERAL MEETING 1 August 2017

Meeting held at Girl Guides Hall Erin Street Queanbeyan

Meeting commenced 8.30 pm

Meeting attended by 35 members

Apologies noted in attendance book

Opening of meeting: The meeting was opened by the President Malcolm Stewart

Minutes of 2015 AGM: Acceptance of the minutes of the 2016 meeting as published in the Wheel of September 2016 and August 2017 was sought.

Acceptance moved by Lawrie Nock seconded by Keith Bateman accepted.

President's Report by Malcolm Stewart

The club has had another highly successful year with a wide range of activities that give members the opportunity to enjoy their older vehicles in a friendly atmosphere. This meeting marks my second term as President and as per the club rules I will be standing down this evening. It has been a privilege to have served you for the last two years. My job has been made a lot easier by virtue of a strong membership with shared values. I and the committee have greatly appreciated the feedback and contributions from members throughout the last year. One thing that makes me proud of STHARC is the high regard in which we are held by the motoring community in both our consistent contribution to the support of heritage motoring and to the readiness of our members to support other motoring associations and clubs. Any club needs good organization and STHARC has been superbly served by a conscientious and hard working committee. Broadly our club focuses on the provision of activities, historic compliance and communication and we have I believe done all three very well. Our club secretary Lawrie Nock is very much the glue that holds our club together. Lawrie deserves a massive thanks for his enthusiasm and hard work. Lawrie has made my job so much easier in providing professional procedural support and oversight in the day to day activities of the club. Lawrie also supports our club as acting delegate to the ACT Council of Motor Clubs.

Able supporting Lawrie as Membership Secretary is Pam Corbett who expertly maintains our membership and vehicle registration information. Thanks also to Allan Boyd for his valued role in supporting our club's interests as our representative on the Council of Heritage Motoring Clubs. To this end we have been for many years served by John Corbett in maintaining integrity of the club in managing our responsibilities in providing concessional registration to our members. This includes time in inspecting vehicles.

I would like to thank Albert Neuss in the support he has provided me in his role as Vice President. Albert has immense experience and I have appreciated his guidance. Thanks also for identifying a range of interesting guest speakers throughout the year

STHARC ANNUAL GENERAL MEETING 1 August 2017 continued

Managing our club funds falls to the Treasurer and the club continues to be well served by the diligence and financial experience of Brian Thomas. Thanks Brian for your oversight and advice to the club on managing our club's finances.

Communication is an essential component of our club's activity. Our newsletter, The Wheel, is the highlight of my monthly mail deliveries. Rosemary Thomas has done a wonderful job in taking over the role as Editor from equally fantastic David Buckley in providing us an interesting read each month. As a previous editor I repeat the plea for members to contribute more articles. You and your motoring stories and adventures are more interesting to us all than you think. In support of the Editor the publishing committee do a great job in assembling and distributing the magazine. Thanks to John and Ronda Cornwell, Krystyna McLeish Geoff Rudd and Jane Nock.

While our magazine plays such an important role in keeping us informed we have not been left behind by newer technology. Our website provides so many different opportunities for communication and information. Malcolm Roxburgh has taken our website to new heights in content and ease of use. The website allows for the most accurate and up to date information and for broader content including useful links to motoring activities. I thank Malcolm on behalf of us all for his contribution to the club.

Getting together with our historic cars for runs is a central part of our club's mission. Identifying and organizing the wide range of activities on offer to members is the result of efforts by the events committee. I would very much like to thank members of the events committee for their work during the past year including Pauline Campbell, David Torricke-Barton, David Arton, Alicia Tipping and until recently John Kaczmarek. I would especially like to thank John for accepting the responsibilities of the events director.

Ray and Barbara Malam handle the responsibility of acting as STHARC's property managers. We very much appreciate their work in sourcing and supplying our club uniforms and other club promotional material together with the contents of our store room, the club trailer and of course their expert management in running the club raffles.

Perhaps the most responsible position in the club is that of Registrar. This is because the government's concessional historic registration rules convey specific responsibilities to the registrar that confer compliance authority to him. To do this our registrar needs to remain familiar with the rules and historic legitimacy of vehicles presented to him for historic, and more recently historic modified registration..This evening we held our club awards presentations. I congratulate those who received awards in recognition of their support for the club.

There is one group of unsung heroes in the club that I especially wish to thank and that is those members who supply supper at our monthly meetings. Our get together for a cuppa, cake and chat after each meeting is I suspect the most important part of the evening for many of us.

STHARC ANNUAL GENERAL MEETING 1 August 2017 continued

I take the opportunity to wish the incoming committee well and thank Allan Boyd for acting as Returning Officer for the election and Christine Hillbrick-Boyd for her diligence as STHARC Public Officer.

Vice President's Report – no report proposed

Treasurer's Report by Brian Thomas

The Treasurer's report was published in the August edition of the Wheel. The club remains in a strong and sustainable financial position. The deficit in 2016/2017 arose from the need to acquire computer equipment to facilitate publication of the Wheel. The editor noted that the computer equipment is not noted in the club's balance sheet. The addition of this asset was noted and the report will be amended. It was moved that the report as amended be approved.

Acceptance Moved Brian Thomas Seconded Jane Nock accepted

Secretary's Report by Lawrie Nock

The influx of new members driven at least partly by the introduction of the 60 log book trial in NSW has continued. The club now has more than 100 members. Last year at this time we were wishing our friend Ian McLeish all the best for his recovery. We were saddened by his passing late last year. We have lost some other members but not from the historic motoring movement. While it is regrettable when members leave the club it is less of a loss when they have merely moved to another club whose interests more closely match those of the member concerned as has happened in some cases this year

The club has operated throughout the year without anyone formally filling the role of Events Director. The willingness of John Kaczmarek to accept the role as spokesman for the Events Committee made planning and communication to the membership of our events program possible. The increasing uptake by members of email and web access has improved the effectiveness and timeliness of communications with members. Regular emailings to advise of club matters seems to work well. Several members have advised that they have found these messages helpful. Any members who find such communications unhelpful should let the Secretary know so the mailing list can be amended.

Registrar's Report by John Corbett. The Registrar emphasised the need for members to provide him with copies of the registration papers for all cars on H plates. It is a requirement of the registration that such papers be held by the Registrar and if they are not held the registration is technically invalid.

Editor's Report by Rosemary Thomas. This year has been a learning curve and challenge. The purchase of new equipment and internet access has helped greatly. All copies of The Wheel are now stored on a portable hard drive and a manual of procedures has been produced for future editors. The biggest problems this year has been the lack of articles for the cover story each month and the lack of member profiles. A big thank you to all those who have submitted

Thank You

This is my last Wheels Magazine and I would like to thank all those who have supported me and contributed articles in the monthly production. My special thanks to my husband, Malcolm, Max, Janine, Allan and Homestead Press staff. I have enjoyed the challenges of producing a magazine for and about the members of STHARC.

For those of you who have not heard I have taken on a Board Director's role with the Children's Book Council of Australia in the hope of furthering community awareness and celebration of great Australian children's authors and illustrators.

items this past year, especially Malcolm Roxburgh, Malcolm Stewart and Jane Nock.

Webmaster's report by Malcolm Roxburgh. The club's website is a most important tool for members to remain up to date on coming events and changes to them, as well as providing an opportunity to reminiscence over past outings. The website contains a library of previous issues of The Wheel and other photos that have not appeared in print. An examination of website stats so far this year show over 1400 visitors with over 5000 views from more than 50 countries including 15 views from Uzbekistan, but we know who that is. I urge you to look at the web Club Events page and the Club News and Information page at least once a week to remain abreast of changes.

Property Officer's Report by Ray Malam. The club has a range of club specific apparel items available for members.

Events Director's Report The fact that the position of Events Director had not been filled at the 2016 AGM was noted. During the year members of the events committee and in particular John Kaczmarek have stepped in to help fill the void.

During the year there was a good range of club events for members to enjoy. New initiatives introduced by the current Events Committee members have been well attended by members throughout the year.

The club has a nominee to fill this position for the forthcoming year.

The reports by Committee Members being complete the President declared all positions in the club vacant and handed over the running of the election of office bearers for 2017/2018 to the Presiding Officer for the election, Allan Boyd. The Presiding Officer outlined the process for the filling of vacancies.

The meeting was advised that no formal nominations have been received for the filling of Committee of Management positions and that therefore all positions are open for nomination by members present at the meeting. Any member interested in being elected to any of the Committee of Management positions was invited to nominate.

Members were asked to reconsider their capacity to take on the position of President.

Meeting Closure The meeting closed at 9.20pm for resumption of the August Monthly General Meeting.

2018 Battle of Waterloo

Queanbeyan Park

By Lawrie Nock

The event went ahead as planned despite pretty unpleasant weather for most of the week leading up to it and on the day itself. There was only a little bit of drizzle but combined with the cold wind and low temperatures

the number of participants was down significantly from other years. The high level of co-operation from QPRC and the support by Shannons as a sponsor helped offset the weather.

British forces ebbed and flowed a bit. The heavy forces of the British side in the form of several Rolls Royce and Bentley vehicles moved in to replace those who had pulled out. The British were joined early on by David Arton's Beetle on the basis that the Prussians were part of the day in history but he had to leave before the final count. One of the Bentley's in attendance slipped in behind the French lines and remained almost unnoticed but available should additional British participants be needed. Another Bentley was parked off site as it was a bent-Bentley and the owner considered it unfit for display.

At the time the count was done the British outnumbered the French by only a few vehicles. The French honourably acknowledged their fete but did note both the closeness of the numbers and the fact that several of the British supporters had found it necessary to withdraw from the battle before the count was taken.

Mayor of QPRC Tim Overall presented the prizes and selected the British and French cars he would like to take home. During his presentation he

revealed that he has been the owner of both French and British marques over the years. After early ownership of a Morris Minor he owned a succession of Renaults. Tim chose Ray Gulson's Bentley as the car for his wife and a Peugeot 404 convertible for himself. Ray departed quickly to preserve the Bentley but the 404 was trapped by the assembled participants. The raffle of wine as lucky door prizes did not encourage any STHARC indulgences.

Following the closure of the event some of the STHARC participants retired to the Bowling Club over the road for lunch where we were joined by Councillor Peter Bray. Most ordered the roast lamb and veg which was well received.

STHARC roll call:

David and Lynette Torricke-Barton – Morris Minor, David Arton VW Beetle – possibly produced in Prussia, Lawrie and Jane Nock and visiting friend Fany Schoeman – Corniche, Ray Malam - Jaguar XJ6, Max de Oliver – Mini Moke, Allan Boyd - Ariel motor bike, Peter and Anne Toet – Silver Shadow, Chris Boyd and Paul Cunneen vehicles unsighted.

STHARC MEN'S COFFEE MORNING

QueenBarista,
Karabar Shopping Centre 29
June 2018

by Allan Boyd

It was a cold, overcast day so I chose to leave the motorcycle in the shed and drove "Ringo" the beetle to the QueenBarista venue.

Based on previous attendances I booked a table for six, however members kept arriving until we had ten men which was very pleasing. We kept the cafe staff busy, but they didn't mind the extra business!

Lawrie drove the Rolls Corniche, Darryl in the electric Tesla, myself in the Beetle, and the remainder I think were in regular moderns.

I was asked afterwards about our group, as the conversations were so wide ranging, that outsiders could not decide why we were gathered there!

Roll Call: Tony Brown, Darryl Burke, Max deOliver, Barry Stewart, Lawrie Nock, Geoff Rudd, Bob McKay, Ray Mallam, Brian Thomas and Allan Boyd.

July Men's Coffee Morning: the next coffee morning will be at the **Cafe Injoy at Gold Creek Village on Friday 27 July at 10am**. See you there. Regards, Allan ***PS the ladies will be at Hall***

AUGUST COFFEE MORNING

Allan has chosen *Box Diner Cafe, 65 Tennant Street, Fyshwick* for the Men's Coffee morning. It is a relatively new café at the far end of Fyshwick - Tennant Street continues past Domayne and Buttercup Bakeries and swings around to the left with shops etc on the left and open paddocks on the right.

Ladies Morning Tea Report

Friday, 29 June 2018

We had ten ladies who enjoyed the spoils that Suppeto Collective in downtown Jerrabomberra had to offer.

From the eggs benedict and pancakes to the raisin toast and muffins, I don't think anyone was disappointed, and with such large servings, I doubt anybody had any room left for lunch. The choices of coffees, teas and chai lattes were also enjoyed.

Conversation around the table was non-stop and I believe a good time was had by all.

Attendees: Ronda Cornwell, Rhonda Winnett, Benita Thomas, Jane Nock, Barbara Malam, Hazel Roxburgh, Chris Hillbrick-Boyd, Christine Brown, and visitors Olga Anderson and Lynne Heffernan.

Apologies: Krystyna McLeish

Our AUGUST Morning Tea
will be held at 10 am on Friday, 31 August at
bSpoke Café.

It is located at 79 Collie Street, Fyshwick (behind Pushys bicycles) and there is plenty of off-street parking.
