A great roll up for the Shannon's Wheels 2023 car show in the Queanbeyan Showground. Members enjoyed the day, but grateful that we took the marquees as it was a nice shady place to sit on such a hot day. Many thanks to all the STHARC members for attending and a special thanks to those who assisted with the set-up and pull-down of the marquees.

PRESIDENT'S REPORT

by Joe Vavra

Greetings all and hope you are well.

This year's President's Run to the lakeside picnic area at Lake Tuggeranong was well attended. There was a little rain but it went away and didn't dampen our spirits or friendly chatter. We ran our January meeting whilst there, then went back to chatting. Thank you to those who attended.

John Corbett at the February meeting advised us that in the next few months, our ACT members will be able to enjoy ACT Concessional Rego in the form of the NSW's 60 day scheme.

After our meeting we were amazed to hear the "Leyland Brothers style" experience rendered by Ivan Zafiris (one of our members). The talk included amazing pictures and videos of his Cape York Peninsula Road Trip with 3 other 4x4 vehicles. Certainly not roads we would take our club vehicles on. Some of the tracks and river crossings were not for the fainthearted. Thank you Ivan.

SHANNONS WHEELS this year was again a huge success with great vehicles and wonderful weather. Ron Scattergood our Founder member assisted by family brought along the well known Truck, a P76 and a Humber. In another display there was even a G O G G O Mobile - yes it was the Dart. Our hard working treasurer and other members were very busy talking to interested prospective members and took their details. This year the best club display went to the MG club and they deserved it. Thank you to our members who brought along their vehicles and those who put up the sun shelter and took it down.

Well until we meet again, stay safe.

Joe Vavra
